MITRACLIP™ TRANSCATHETER MITRAL VALVE REPAIR

Checklist for Implanting Physician(s)

This checklist is provided as a summary of the information used to process claims for TMVr procedures with the MitraClip™ System per CMS's NCD. It is the responsibility of the hospital and/or physician to determine appropriate coding for a particular patient and / or procedure. Any claim should be coded appropriately and supported with adequate documentation in the medical record.

CODES/MODIFIERS/OTHERS	WHEN USED?	INCLUDED	NA
DIAGNOSIS CODES			
I34.0 / I34.1: Nonrheumatic mitral valve disorders	When appropriate	<input type="checkbox"/>	<input type="checkbox"/>

NCT NUMBER			
02245763	All cases	<input type="checkbox"/>	<input type="checkbox"/>

+ denotes an add-on code. List separately in addition to primary procedure.

Disclaimer:

This document and the information contained herein is for general information purposes only and is not intended, and does not constitute, legal, reimbursement, business, clinical, or other advice. Furthermore, it is not intended to and does not constitute a representation or guarantee of reimbursement, payment, or charge, or that reimbursement or other payment will be received. It is not intended to increase or maximize payment by any payer. Similarly, nothing in this document should be viewed as instructions for selecting any particular code, and Abbott does not advocate or warrant the appropriateness of the use of any particular code. The ultimate responsibility for coding and obtaining payment/reimbursement remains with the customer. This includes the responsibility for accuracy and veracity of all coding and claims submitted to third-party payers. In addition, the customer should note that laws, regulations, and coverage policies are complex and are updated frequently, and, therefore, the customer should check with its local carriers or intermediaries often and should consult with legal counsel or a financial, coding, or reimbursement specialist for any questions related to coding, billing, reimbursement or any related issues. This update reproduces information for reference purposes only. It is not provided or authorized for marketing use.
