

LET'S TALK.

About treating your patients
and your vision for the future.

At Abbott, we know that patient care isn't one size fits all. That's why we've created a robust suite of solutions geared specifically toward Office-Based Labs (OBL) and Ambulatory Surgery Centers (ASC), so you can focus on doing what you do best—helping your patients.

COMMITTED TO YOUR PRACTICE. DEDICATED TO YOUR SUCCESS.

By providing Office-Based Labs and Ambulatory Surgery Centers with the technology, information and support to help deliver optimized care, Abbott is here for you, your patients and your vision for the future.

ONE SIZE DOES NOT FIT ALL

One size does not fit all when it comes to patient care and that extends to your practice too.

We're here to support you with a comprehensive portfolio of products, services, and solutions tailored to your practice's unique needs.

OBL

ASC

OBL/ASC HYBRID
