

VASCULAR PROCEDURES REIMBURSEMENT GUIDE

2024 CMS Physician Fee Schedule

The Centers for Medicare & Medicaid Services (CMS) made significant changes to calendar year 2024 (CY2024) policies and payment levels which impact a number of procedures utilizing Abbott's technology and therapy solutions in the Ambulatory Surgical Center (ASC) settings of care and Physician payments. These changes are compounded by the advance of both new and ongoing payment reform initiatives impacting a majority of U.S. health care facilities.

On November 2, 2023, CMS released the CY 2024 PFS Final Rule Correction Notice effective for services on January 1, 2024. We have provided the following tables for various technologies and procedures. This is intended for illustrative purposes only and is not a guarantee of reimbursement levels or coverage.
