

Dear \_\_\_\_\_

Thank you for participating in Abbott's EU Limited Market Release (LMR) of Merlin.net™ Patient Care Network (PCN) European cloud platform. This solution utilizes cutting-edge cyber security measures to ensure all patient data remains safe and secure.

Our cloud-based solution offers a modern look and feel that is easy to navigate with a familiar workflow, providing you with an enhanced user experience. Our cloud architecture is designed to enable future capabilities, offering healthcare providers state-of-the-art technology for the treatment of their patients.

We are delighted to have you join us on this journey to the cloud using the Merlin.net PCN European cloud platform and thank you for your commitment to remote monitoring. Recognizing that data privacy and regionalized data processing are essential considerations for remote monitoring systems, we continue to strive to provide our customers with the best products without compromise.

Please visit our EU LMR page, [Cardiovascular.Abbott/MerlinCloudEU](https://www.cardiovascular.abbott/merlincloudEU), for more information. Make sure to bookmark the page and check back frequently for new information. We are committed to providing you with the necessary support every step of the way.

Thank you again for joining us on this journey. We look forward to working with you to ensure a secure and technologically advanced future.
