

# MERLIN.NET™ PATIENT CARE NETWORK (PCN) IS MOVING TO THE CLOUD

Your CardioMEMS™ HF System data will soon be migrated to enable future capabilities.

## WE'RE CREATING AN OPTIMIZED EXPERIENCE FOR YOU INCLUDING:

### MORE RELIABILITY

Ensures patient data is available when you and your staff needs it.

### MORE SECURITY

Keeps data safe and secure with state-of-the-art cyber security.

### MORE EFFICIENCY

Enables workflow efficiency with optimized site speed.

### MORE CONFIDENCE

Microsoft‡ Azure‡ is a state-of-the-art, cloud-based solution designed to comply with data privacy regulations.

## IMPORTANT DATES

### FRIDAY, 27 SEPTEMBER

Merlin.net™ PCN HF Portal will be temporarily inaccessible 28 and 29 September while we are implementing these improvements. Your new URL to access the portal will be [www.HF.G2.Merlin.net](http://www.HF.G2.Merlin.net).

### STARTING TODAY

Begin communicating to your patients that they should remove the myCardioMEMS™ app from their phones. If you are using the app for communication with patients, ensure that you transition to DirectCall™ messages or another form of communication.

## LOOK FOR MORE NOTIFICATIONS

We will be contacting you with reminders of important dates throughout this transition.
