CARDIOGUIDE™ HF APP

SENSITIVE PERSONAL DATA CONSENT

Abbott (as identified in the **Privacy Notice**), as the controller of your personal data, requests your consent to process your personal data, which may include your special category personal data, such as your PA pressure readings, heart rate, treatment and medication instructions, systemic blood pressure and weight, and other health-related data described in the "+Collection and Processing of Your Personal Information" section of the **Privacy Notice**, when providing you with the CardioGuide™ HF App.

Consent Declaration

By clicking "**Accept**", I consent to the processing of my personal data, which may include my "special category" personal data, including data concerning health (as described in the **Privacy Notice**), by Abbott to provide me with the CardioGuide™ HF App.

You have the right to withdraw your consent at any time with future effect (i.e., the withdrawal of your consent has no effect on the lawfulness of the data processing before the withdrawal was made) by contacting Abbott as set out in the "+Contact Us" section of the Privacy Notice.

Consequences of withdrawal and of not providing consent: If you do not wish to provide consent for the processing of your personal data, you may not be able to use the CardioGuide™ HF App or lose access to certain features.

For further information on our processing activities, please refer to the **Privacy Notice**.
